Great Big Green Week: Opening Event 24 September – AM reported that it was well worth having a stall at this event. Quite a number of children took part in the "Find the Country" activity. Katy Rowe went round the park giving out the flyers and the events leaflet. One new person signed up

Updated diary and minutes to go out at beginning of November
- 8 **AOB:**
 - AM mentioned Christian Aid's latest campaign "Campaign for Change". Perhaps invite Katy Rowe's daughter (who now lives in Manchester) to speak. AM will look at website for more details.
 - KG asked about craft classes at the Unity Centre and/or language lessons. TG gave contact details to KG
